You fleeting Pleasures here below
Vain are the Joys which from you flow —
And they are fools who such pursue
See in a Moment how they fly
Like Shadows Quickly passing by —
Or like the Drops of Morning dew —

To Heaven then let my Soul ascend
Thither let my affections tend —
With all the Warmth of Holy Fire
There Pleasures are that which never cloy
On them I'll all my Love Employ —
And fix my Heart with Chast desire
